

Cub Scout Pack 50 Yearly Registration

Dear Parents/Guardians,

Following is the cost for registration. All Scouts need to pay their annual registration by the **October Pack Meeting** (see table below). There is a prorated cost for registration depending on when you join (see table below).

The registration fee goes to the National Headquarters and to the Pack (see table below). This is the only cost to the Scout to join, other than the required uniform.

The majority of the cost to run the Pack is done through fundraisers and donations to the Pack. The average cost per Scout for the year is ~**\$120.00**. This covers awards, some of the den supplies, printing cost, mailings, and leader's books and materials. We try to keep the out-of-pocket cost low so that all boys can enjoy the rewards of scouting. So please help out with our fundraisers.
