

Cub Scout Pack 50

Yearly Registration/Cost

Dear Parents/Guardians,

The yearly registration/cost for Cub Scouts is \$10 a month or \$90 a year per scout. The scouting calendar year is September to May. (We do have activities during June – August but no formal meetings.) You can choose to pay the yearly registration/cost in 3 ways. Pay \$10 a month at each pack meeting (4th Tuesday of the month) to the Pack Treasure or Pay the full yearly amount by the annual re-charting October 31st or through the Pack fundraising activities and your sons individual scout account. If your son has funds in his individual scout account and you do not pay the \$10 monthly fee or paid the \$90 annual fee to the Pack the Pack Treasure will deduct the \$10 for that month out of your sons individual scout account. If you would like your son to receive the Boy's Life Magazine it is an additional \$12 a year. The \$12 fee needs to be paid by the October Pack meeting in full. If you have any questions feel free to contact the Cubmaster, Committee Chair or Pack Treasure. Please make all Checks Payable to **BSA Pack 50**
